Fundamental Rights and Duties: In Historical Perspective from Ancient Era to Buddha-Ambedkar Onwards

Date: 5th June 2020

About the College

One of the biggest wars in India was fought between the Marathas and the English in 1803 AD. This 2nd Anglo-Maratha war in some ways determined the future of India. The English prevailed over the Marathas, thereby gradually bringing the whole nation under their control. With the British rule came to India, the modern concepts of scientific thinking, the rule of law and the human rights. Incidentally, the historical treaty of this 2nd Anglo-Maratha war was signed in Anjangaon-Surji. Smt Radhabai Sarda, a multi-faculty, grant-in-aid institution, offering UG, PG and PhD programmes, affiliated to Sant Gadge Baba Amravati University, Amravati was started by Shri Sardha Education Society with a vision to make higher education available to the underprivileged sections of society in the vicinity of Anjangaon Surji. It has three major streams- Arts, Commerce & Science with a distance mode centre of YCMO University, Nasik and HSC (Voc.). The competent, efficient, dedicated and well qualified staff with the highest academic degree, a far-sighted visionary management and good infrastructure have contributed to making it an excellent centre of higher education. Keeping in mind the contemporary global and national context, the college strives continuously to make success a way of life not only in academics but also in extra-curricular activities. It has always been the prime focus of the college to provide students the best possible ambience for learning and

personality development. Since its inception, the college has been catering in catering to a variety of educational interests and aspirations of the people of the area. Today, the college is recognised as one of the well-known centres of higher education in this rural area of Amravati district.

The Department of History was established with the inception of the college in 1966. The department has three faculties with doctorate degrees, of which two are PhD supervisors of SGBAU, Amravati. It has a rich research output with many books, research papers and audio-visual learning aids. One of the members of the department is on the Board of Studies in History of Sant Gadge Baba Amravati University, Amravati. Every year a good number of students pass out with very good grades in the subject. This year a student has achieved First Merit from the University in History.

Concept of the e-Conference

There have always been a cut-throat racial, religious, socio-cultural, socio-political and socio-economical discriminations among people living on the Indian subcontinent. Due to such disintegrations, India was a slave and mercilessly ruled by the foreign invaders for many centuries. Of course, the great scripture like Rigveda in ancient times had laid emphasis on the defence of human rights and justice to every citizen in the country. But, unfortunately, with the passage of time, the social and human values were threatened by some communal extremists. As a result, a great thinker and philosopher like Lord Buddha came forth and broke the age-old shackles of communal and racial hierarchy and spread all new message of liberalism, secularism and self-transformation to the world. He welcomed everyone irrespective of caste, creed, class and gender in his Dhamma and thereby protected justice and human rights. In the modern times, Dr Babasaheb Ambedkar, a great revolutionary thinker enshrined the same liberal and secular values in the Indian constitution.

He attached utmost importance to liberty, equality, fraternity and justice as the principles of democracy and thereby protected the fundamental rights of every citizen in the country. Dr Babasaheb Ambedkar regarded democracy of no value if civil liberties and human dignity were not protected. The present conference intends to make elaborate deliberations on fundamental rights and duties in the wake of COVID-19 pandemic lockdown.
